

23 NOV 1955

MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Manpower Utilization

REFERENCE: DD/I memorandum, same subject, 18 November 1955

1. The information requested is attached.
2. Each of functions 1, 5, 6, and 7 (See Column 1 of attachment) will necessarily be affected by the recent reduction in ceiling from [REDACTED]. I do not see how these functions can be carried out successfully if an additional cut of 10% becomes necessary.
3. Functions 2, 3, and 4 will not be affected by the recent reduction because they cannot be cut below present levels without jeopardizing essential operations.
